

Advanced Technology Instructor – Paradise Valley Christian Preparatory

Job title:	Advanced Technology Instructor, Middle and Upper School
Location:	Phoenix, Arizona
Terms:	Full-time, paid July 1-June 30,
Salary:	DOE and includes healthcare benefits, 403(b) matching, sick time, and personal days
Requirements:	Must obtain Arizona Department of Public Safety Fingerprint Clearance (Identify Verified Prints – “IVP”) and ACSI certification

About us: Founded in 1974, Paradise Valley Christian Preparatory is a community of spiritual nurturing and academic excellence providing a Christ-centered education to infants through high schoolers.

About the role: The Advanced Technology Instructor will take a lead role in setting the vision for PVCP’s advanced technology program, including developing PVCP’s middle school, upper school, and elective course offerings; teaching courses to include coding, robotics, 3-D printing, and related fields; development and oversight of extracurricular offerings such as robotics club and coding club; and advising administration on effective technology integration across campus.

- Responsibilities:**
- Recommend advanced technology courses to administration
 - Propose curriculum for technology instruction
 - Develop curriculum maps and guides for advanced technology course offerings
 - Teach courses that might include coding, robotics, 3-D printing, computer-aided design, and related fields
 - Advise administration on technology integration into campus curriculum
 - Propose budget to effectively support the Technology Department

- Candidate requirements:**
- Four-year college degree in education with emphasis in technology, curriculum development, engineering, computer science; or four-year degree in a related field
 - Teaching experience preferred
 - Expertise in coding, robotics, 3-D printing, computer-aided design; experience in digital arts and media a plus
 - Experience in development and implementation of curriculum
 - Classroom teaching experience
 - Christ-like interpersonal skills and the ability to relate to tuition-paying parents

- A nurturing disposition as it relates to teaching and mentoring students
- Strong interpersonal skills with the ability to relate to all school constituents in a professional and courteous manner (both written and verbal)
- Administrative skills
- A self-starter who is motivated to take ownership of the position and program
- Adeptness at conflict resolution in accordance with biblical standards
- Agreement with and adherence to PVCP's Statement of Faith and Lifestyle Standards
