Financial Policies

- 1) PVCP offers three Payment Options:

Pay in Full—Due on July 1st

2 Payments—Due on July 1st and December 1st

Monthly—Due on the 1st, July - May

Please note, any adjustments or changes to the payment option selected will result in a tuition calculation based on the full tuition amount due over 10 months (August - May).

- 2) A Late Fee of \$15 will be assessed **daily** on payments received after the 5th of the month. In addition, a late fee will be assessed on partial payments received *unless* preapproved arrangements are in place with the Finance Committee.
- 3) Non-Insufficient Funds (NSF), return checks, or electronic payment declines will be charged a fee of \$50 per occurrence.
- 4) No student will be permitted to participate in graduation or promotion activities unless the account is paid in full.
- 5) When a student is voluntarily withdrawn from the school *for any reason, at any time (July - June)* the parent must notify Administration in writing at least one (1) week prior to the withdrawal date. A formal Withdrawal Form must be completed, signed, and submitted. An email message to Administration from the parent's email address on file is an acceptable written form of notification to the school.
- 6) After official notification has been received, **the family will be responsible for a \$500 early withdrawal fee.**
- 7) All other fees are non-refundable charges. If a student is dismissed for disciplinary reasons, no refunds or credits will be issued.
- 8) PVCP requires that all unsatisfied debt from prior years is due and payable to PVCP. Reenrollment will not be processed until all prior school year debt is paid in full.
- 9) Parents have a contractual obligation to satisfy any outstanding accounts. In the event of default due to non payment, the account will be liable for, but not limited to, all attorney fees, court costs, and interest at the rate of 22% per annum.
- 10) Accounts that are delinquent 60 days result in withdrawal of the student until the account is brought current or arrangements and a written payment plan has been approved through Administration.
- 11) Accounts delinquent 60 days may be referred to outside collection agencies, will be reported to national credit bureaus, and a surcharge of 40% will be added to the outstanding balance to cover the collection cost. Should it become necessary for PVCP to retain an attorney or collection agency to secure payment of any amount due, the debtor is responsible for paying all attorney's fees, court costs, and collection agency charges. Late fees may continue to accrue monthly or be assessed as a flat fee when accounts are transferred between agencies until the balance is paid in full.
